but the best by far was an enlarger lens reverse mounted onto extension bellows.
in order to be prescribed you would have to had a real case — you had have been obese, or bordering on obesity
a great big kudos to jim sinegal for creating such a great company, and not allowing anyone to change who we are as a company
just says: wait for 48 hours; and then you get nothing
one of its key strengths is its credit card business, where citi remains a leader with a 17 share of industry spend and the highest spend per card, more than twice the industry average
