it probably brought back feelings of pain and a lack of control
you feel there is something you are a part of, something else is out there that’s bigger than you,
you are usually very upset when they know the people around them are worried or hurt by their eating
"I checked with everybody, and everybody said it was a legitimate thing to do," Dickman said
"We are very pleased with the success of our recently formed cold case unit," said district
attorney Peterson
