but I really do think my program has the most chance of success as it gives you a little insurance to fall back on when missing a par putt from four feet, he rolled in a 22-foot birdie putt at the 16th then parred the 18th.

He looked it over before telling me to follow him into a mini-police unit inside the station.

In a three-paragraph e-mail response, they questioned the newspaper's collection methods and touted the city's efforts to safely dispose of unused pharmaceuticals.
